Per DOT regulation, the above-named employer has enrolled in a random testing program for controlled substances and alcohol. As part of a random testing pool, selections have been made based on the average number of safety-sensitive members in the pool using a scientifically valid computerized random selection process in which each covered individual has an equal probability of selection, in accordance with Title 49 CFR part 40, Procedures for Transportation Workplace Drug and Alcohol Testing Programs.

The above-named employer has an independent pool, consisting of FAA covered employees that meets the requirements of DOT Title 14 CFR part 120, Drug and Alcohol Testing Program as amended.

This certificate printed by CMCA is only valid when the company listed above is active and in compliance with the Federal Aviation Administration (FAA).

Printing of this certificate is proof of membership with Concentra (CMCA) and is not to be construed as a guarantee of an operator's compliance with all regulations.

This certificate may be revoked upon evidence of non-compliance.
