Dear Mr. Miller:

This is in response to your April 2, 2001, application and subsequent submittals for Federal Aviation Administration (FAA) authorization to identify twelve man Life Raft Part Number RAF1212-(), in accordance with 14 CFR, part 21, subpart O, and Technical Standard Order (TSO) C70a.

We find your Statement of Conformance to 14 CFR, part 21, subpart O, and TSO C70a, dated April 2, 2001, and your current Quality Assurance Manual, Revision 1, dated July 9, 1998, acceptable.

The following data as submitted by Survival Products will be retained on file for this authorization:

- a. Survival Products Inc. Drawing List No. LIS0102, Revision C, dated February 19, 2001.
- b. Survival Products Inc. 12 Man Raft, Drawing No. RAF1212, dated December 15, 2000.
- c. Survival Products Inc. Life Raft RAF1212-(), Inflation System Qualification Report No. S128, dated September 20, 2001.
- d. Survival Products Inc. RAF1212-() Qualification Report No. 1205, original issue February 23, 2001.
- e. Survival Products Inc. Life Raft RAF1212-(), Component Maintenance Manual 25-60-05 with Illustrated Parts List, dated July 19, 1999.
- f. Survival Products Inc. Form S242, dated February 23, 2001.

Effective this date, you are authorized to identify the aforementioned Life Rafts with the applicable TSO markings in accordance with 14 CFR, Part 21. 607(d).

This authorization is not transferable to another person or location and is effective until surrendered, withdrawn or otherwise terminated by the Administrator.

Your responsibilities as a holder of a TSO authorization are outlined in 14 CFR, part 21, subpart O, and 14 CFR, part 21.3. Any design change made to the TSO'd items must be forwarded to this office as outlined in 14 CFR, part 21.611, with minor change intervals not to exceed six months.

The Systems Engineer for your program is Rick Jones, telephone number (770) 703-6095. The Technical Information Specialist is Lorraine Bush, telephone number (770) 703-6044.

Sincerely,

for

Eugene L. Bollin
